Why Give?

2 Corinthians 9:10

He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.

At First Christian Church, generosity is not just a habit, it's a way of life. As we approach the Christmas season, we invite all FCCers to join us in pursuing generosity and sowing seeds toward advancing God's Kingdom.

Together, we can do more than we ever could alone, extending the reach of the Kingdom and demonstrating God's grace and love to those in need. We have compiled a catalog of projects and opportunities for you to choose from - whether with friends, as a couple, as a family, or as a Life Group.

These projects range from supporting local community outreaches to aiding foreign missionaries that FCC financially supports monthly.

After completing your chosen project, please reach out to us and share your experience, as we would love to celebrate and share how God is working through your generous hearts. If you're working on a Life Group project, contact Chris Oakes, our Life Groups Director, at chris@fccgreene.org with the details.

For non-Life Groups (individuals, couples, families, etc.), please email Kelly Radank, our Admin/Comms Director, at kelly@fccgreene.org.

Let's come together and make a lasting impact this Christmas season by giving generously with a cheerful heart!
